## ***To Friends of People to People International:***

By way of this letter, we wish to introduce the Clay Hotel and invite you to consider an initiative for the benefit of members of People to People International.

The Clay Hotel is an exceptionally attractive budget hotel and youth hostel in the heart of South Miami Beach, Florida. Our rates and amenities offer affordable, low cost lodging for economy-minded travelers. We could provide a means for your members to experience this exciting community and would like to engage your efforts to communicate this message.

For a look at the property, please visit [www.clayhotel.com](http://www.clayhotel.com). You should especially note the description and rates for our youth hostel facilities. We are pleased to offer a 15% discount from the hostel member rate, an amount that could be credited directly to PTPI members or accrue to your organization.

Thank you for your attention. Please contact me at your convenience to further discuss possible areas of mutual interest.

Very truly yours,

Linda Polansky, Owner/Operator
