

# ChapterRoundup

**A.** Boys from St. Anthony's Youth Project of Dublin, Ireland show their team spirit while visiting the Delray Beach, Florida Chapter. **B.** Members of the Sheboygan, Wisconsin Chapter welcome visitors with a sign proclaiming their Sister City of Esslingen, Germany, complete with a PTPI logo. **C.** Members from throughout the region enjoyed the 2002 West Coast/Southwest Council Meeting hosted by the Stockton/San Joaquin Chapter. Far right, Chapter President and Trustee, Ben Reddish.

For further information about the many activities of the Delaware Chapter, or to purchase a video, please contact Carl Hutter, President, at [carlhutter@aol.com](mailto:carlhutter@aol.com).

The members of the **Green Bay, Wisconsin Chapter**, host an annual dinner for international students attending the University of Wisconsin, Green Bay and St. Norbert's College of De Pere, Wisconsin. The dinner is followed by a "white elephant" sale. This year, 20 students enjoyed this special dinner with chapter members

and the fun sale. A "white elephant" sale involves participants auctioning off unneeded and unwanted items, generally from their international travels, at inexpensive prices. It is a fun and humorous way to raise funds for the chapter and for members to share stories about the special item they put up for auction.

A group of 11 year-old soccer-playing boys from St. Anthony's Youth Project, a boys' and girls' club based at the Capuchin Franciscan Friary in Dublin, Ireland partici-

pated in a variety of activities when they visited the **Delray Beach Chapter** in Florida. Members of the chapter provided homestays for the 17 boys and 6 adult chaperones and organized special activities, including soccer matches and tournaments with local youth soccer teams. St. Anthony's Youth Project focuses on helping inner-city at-risk youth stay on the right path in life. The purpose of the visit was to expose the children to different cultures and to share memorable experiences.
